

Karoline Spodsberg

International Director at Nordisk Film TV

After graduating from the University with a Master degree in International Sale and Marketing Karoline joined MTV Production (a part of Zodiak Television). Here she took part in setting up a new branch, where she played a key role in building up the distribution business into what is know today as Zodiak International.

Before being appointed to International Director at Nordisk Film TV, Karoline spent 2 years on the broadcasting side in the executive position as Head of Programme at TV3 in Denmark. At Nordisk Film TV, she was recruited to set up a new international division. Today this division is a center point of corporation between all production units within Nordisk Film TV (Sweden, Norway, Denmark and Finland), where it handles all format acquisitions within the Nordisk Film group. Alongside this, lies also Nordisk Films International distribution arm – Nordisk Film TV World.

Nordisk Film TV

In just 2 years Nordisk Film TV World has established itself solid on the international TV arena and is today a leading distributor of innovative primetime formats and finished programming from the Nordic region, selling to over 57 countries worldwide. Nordisk Film TV World represent leading Scandinavian broadcasters; SVT Sweden, TV2 Denmark and DR Denmark on an exclusive basis as well as key properties from other leading Nordic independents and broadcasters. The portfolio includes popular titles spanning the genres of entertainment, serial drama, factual entertainment, reality and children's programming. Nordisk Film TV own devised formats include 2900 Happiness, FC Nerds, Sensing Murder, 71 Degrees North, Seven Grumpy Old Men and Celebrity Devil Race.
