PLEASE NOTE

The EMC Executive Education Programme is selective, accepting no more than 30 participants for each Master Class. All applications are subject to acceptance by the EMC. As each Master Class is only as good as its participants, we want to make sure that the group of people selected is a good fit. To ensure diversity of experience and background, we are looking for participants from the most diverse fields across the worldwide entertainment business. Participants include creators, producers, commissioners, broadcasters, distributors, advertisers, and financiers – from small start-ups to large organisations.

Your application will be reviewed by our admissions committee, comprised of members from our faculty, who will be looking for candidates who have a proven track record and the support of their peers. You should be fluent in English and willing to share your knowledge. In order to make sure that this is the right programme for you, you may possibly be asked for a telephone meeting with a member of our admissions committee. A decision on each application will be made within one week. The EMC will notify you with the outcome of your application.

Once you have been notified in writing by the EMC that your application has been accepted and you return a letter of confirmation to the EMC, your participation contract is concluded.
